

1.2.x

Overview

This section outlines the changes for MediaPortal 1.2.x.

Changes for 1.2.x

For a general summary of changes for 1.2.0, see the Blog Post: [MediaPortal 1.2.0 Released](#).

Note: The Plugin, Skin Related and Strings pages document changes to MediaPortal skin engine and code which affect skin and plugin development and translations. The UI Related Changes pages document the changes which affect the installer (Deploy Tool), configuration settings and using MediaPortal.
